(5722). The Debtors’ headquarters is located at 2371 Liberty Way, Virginia Beach, Virginia 23456.

*Inc. and Freedom VCM, Inc. for Entry of an Order Authorizing the Employment and Retention of Chilmark Partners, LLC as financial advisor to the Independent Director, Michael J. Wartell, Effective as of February 26, 2025 (the “Application”).*²

2. I am not, nor is Chilmark, an insider of the Debtors. To the best of my knowledge and information, neither Chilmark nor I hold directly any claim, debt or equity security of the Debtors.

3. To the best of my knowledge and information, no partner or employee of Chilmark has been, within two years from the date of the filing of the Debtors’ petitions, a director, officer or employee of any Debtor as specified in Bankruptcy Code section 101(14)(B).

4. Chilmark does not have an interest materially adverse to the interests of the Independent Director, the Debtors’ estates or any class of creditors or equity security holders of the Debtors, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, as specified in Bankruptcy Code section 101(14)(C), or for any other reason.

5. Chilmark does not currently represent any Debtor or, to the best of my knowledge and information, any of the Debtors’ related parties, affiliates, partners, or subsidiaries. Moreover, Chilmark will not undertake the representation of any party other than the Independent Director in connection with these Chapter 11 Cases.

6. Except as otherwise set forth herein, to the best of my knowledge and information, Chilmark neither holds nor represents any interest adverse to the Independent Director, the Debtors, their creditors or other parties in interest or their respective attorneys in connection with these Chapter 11 Cases. Based upon information available to me, I believe that Chilmark is a “disinterested person” within the meaning of Bankruptcy Code section 101(14).

² Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Application.

7. To determine Chilmark's relationships, if any, to parties that may have a connection to the Debtors, the following actions were taken by myself and/or my colleagues at my direction:

- (a) We obtained a list of parties in interest from the Debtors' proposed bankruptcy counsel. A copy of the list of parties in interest which Chilmark reviewed is attached hereto as **Schedule 1** (collectively, the "**Searched Parties**").
- (b) We then compared the names of each of the Searched Parties to an internal database of our current and recent clients.
- (c) An email was issued to all Chilmark's professionals requesting disclosure of information regarding: (i) any known personal connections between the respondent and/or Chilmark on the one hand, and the Searched Parties on the other hand;³ (ii) any known connections or representations by the respondent and/or Chilmark of any of those Searched Parties in matters relating to the Debtors; and (iii) any other conflict or reason why Chilmark would be unable to represent the Retaining Debtors.
- (d) Known connections between Chilmark and the Searched Parties were compiled for purposes of preparing this Declaration. These connections are listed in **Schedule 2** annexed hereto.

8. As can be expected from any professional services firm such as Chilmark, Chilmark currently provides and historically has provided services to clients with interests in these Chapter 11 Cases. Set forth in **Schedule 2** annexed hereto is a list of those Searched Parties (i) who are current clients on matters unrelated to these Chapter 11 Cases or (ii) who have been clients in the past three years on matters unrelated to these Chapter 11 Cases (collectively, the "**Current or Former Clients**"). In addition, **Schedule 2** includes those Searched Parties that are not Current or Former Clients but with whom Chilmark has provided services in connection with certain client assignments in the past three years on matters unrelated to these Chapter 11 Cases (the "**Related**").

³ In reviewing its records and relationships of its professionals, Chilmark did not seek information as to whether any Chilmark professional or member of their immediate family: (a) indirectly owns, through a public mutual fund or through partnerships in which certain Chilmark professionals have invested but as to which such professionals have no control over or knowledge of investment decisions, securities of the Debtors, or any other party in interest; or (b) has engaged in ordinary course consumer transaction with any party in interest. If any such relationship does exist, I do not believe it would impact Chilmark's disinterestedness or otherwise give rise to a finding that Chilmark holds or represents an interest adverse to the Retaining Debtors' estates.

Entities”). As part of Chilmark’s diverse practice, Chilmark regularly is retained by parties to provide advice in connection with credit facilities for which there are many lenders. Certain of those Related Entities set forth on **Schedule 2** have been the beneficiary of such advice as lenders on matters unrelated to these Chapter 11 Cases.

9. **Schedule 2** does not include Searched Parties that have been involved in matters in which Chilmark has been retained, but for whom Chilmark did not provide services. As part of Chilmark’s diverse practice, Chilmark is routinely involved in matters with many parties, some of whom may be Searched Parties, who have not engaged Chilmark and may be adverse to parties who have. I do not believe any such relationship creates interests materially adverse to the Retaining Debtors are none is in connection with these Chapter 11 Cases.

10. Further, as part of its diverse practice, Chilmark has appeared in numerous cases and proceedings, and participated in transactions that involve many different professionals, including attorneys, accountants, and financial consultants, who represent claimants and parties in interest in these Chapter 11 Cases. Further, Chilmark has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms and has been represented by various attorneys and law firms, some of whom may be involved in these proceedings. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Retaining Debtors and none are in connection with these Chapter 11 Cases.

11. Based on the conflicts search conducted to date and described herein, to the best of my knowledge, I do not believe there is any connection between Chilmark and the U.S. Trustee, any person employed with the U.S. Trustee or any bankruptcy judge currently serving on the United States Bankruptcy Court for the District of Delaware.

12. Chilmark will periodically review its relationships during its provision of financial advisory services to the Independent Director in these Chapter 11 Cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Chilmark will use reasonable efforts to identify such further developments and will file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

COMPENSATION

13. Chilmark will make appropriate applications to this Court pursuant to Bankruptcy Code sections 328, 330 and 331 for compensation and reimbursement of out-of-pocket expenses, all in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Interim Compensation Order, the Fee Examiner Order and any other orders of this Court. Subject to this Court's approval, Chilmark will charge for its financial advisory services on an hourly basis in accordance with its ordinary and customary hourly rates in effect on the date such services are rendered, subject to Bankruptcy Code sections 328, 330 and 331.

14. Chilmark's hourly rates are provided below:⁴

Billing Category	Range
Managing Member	\$1,650
Members	\$1,020 - \$1,275
Associates	\$450 - \$550

15. The hourly rates set forth above are Chilmark's standard hourly rates for work of this nature. These rates are set at a level designed to compensate Chilmark fairly for the work of its professionals and to cover fixed and routine expenses. Chilmark's hourly rates vary with the experience and seniority of the individuals assigned. Chilmark's hourly rates are consistent with

⁴ Chilmark does not intend to seek any rate adjustments in these Chapter 11 Cases.

(i) market rates for comparable services and (ii) the rates that Chilmark charges and will charge other comparable chapter 11 clients, regardless of the location of the chapter 11 case.

16. In addition to the fees described above, Chilmark expects to seek reimbursement for expenses incurred in connection with the engagement including, among other things, photocopying charges, travel expenses, and computerized research. Chilmark will seek reimbursement for such expenses pursuant to, among other things, any applicable guidelines established by the Office of the U.S. Trustee.

17. No agreement exists, nor will any be made, to share any compensation received by Chilmark for its services with any other person or firm other than members of Chilmark.

18. As specifically set forth herein and in the attached schedules, Chilmark represents certain of the Debtors' creditors or other parties in interest in ongoing matters unrelated to the Debtors and these Chapter 11 Cases. To the best of my knowledge and insofar as I have been able to ascertain, none of the representations described herein are materially adverse to the interests of the Independent Director, the Retaining Debtors or the Retaining Debtors' estates. Moreover, based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, Chilmark is a "disinterested person" within the meaning of Bankruptcy Code section 101(14), as modified by Bankruptcy Code section 1107(b) and as required by Bankruptcy Code section 327(a).

19. The foregoing constitutes the statement of Chilmark pursuant to Bankruptcy Code sections 328(a), 329 and 504, Bankruptcy Rules 2014(a) and 2016(b) and Local Rules 2014-1 and 2016-1.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
